	<b>Question: Comments on course effectiveness</b>
	Some aspects of lectures were confusing and hard to follow, with a lot of information on slides, but that was helpful for studying.
	Very interesting class, especially since Seegert would always answer interesting questions the class had, despite it being a little off tangent. Also made me realize that a lot of the tax plans politicians release are more fluff than substance. Thought the papers were sometimes hard to dissect.
	<b>Question: Instructor Comments</b>
SEEGERT	Seegert is really funny and makes lectures interesting by injecting asides and fun facts. Sometimes a little confusing, but might just be the material.
SEEGERT	Seegert is phenomenal and charismatic and makes learning interesting.
